

OAK CHEVRON DARK BROWN

The richly smoked finish on this ready-to-install, patterned oak board from the Chevron Collection enhances its deeply burnished hue, and brings a modern expression to its traditional look. Each board is carefully brushed to bring out the natural character of the grain and highlight the texture of the wood. Partial handcrafting gives each board its unique appearance, while micro-bevelling enhances the iconic geometric design. A package contains an even split of left and right hand sided Chevron patterned boards. This product requires an, after installation, maintenance treatment using Kährs Satin Oil Matt.
